BRAND CONTACT LENSES

TERMS and CONDITIONS (September 2016)

ACUVUE[®] Authorized Partner Terms & Conditions (“Terms”):

- (1) The ACUVUE[®] Authorized Partner Logo (“Logo”) may not be used or reproduced by the Authorized Partner except as specifically permitted by JJVC under these Terms unless prior written consent from JJVC is received in advance of such use. Under no circumstances is an Authorized Partner permitted to alter the appearance of the ACUVUE[®] Authorized Partner Logo. Setting up businesses, registering domain names, or social media usernames that contain the Logo is strictly prohibited. Partner must only use approved marketing materials for all JJVC products.
- (2) Partner must not make false claims through advertising, including, but not limited to, the selling of JJVC products without a prescription and without original packaging intact.
- (3) Partner will not advertise, market, display, or demonstrate non-JJVC products together with JJVC products in a manner that would create the impression that the non-JJVC products are made by, endorsed by, or associated with JJVC.
- (4) JJVC may, in its sole discretion and at any time, unilaterally revoke the Partner’s status as an Authorized Partner if JJVC has a reasonable suspicion that the Partner has breached any of these Terms.
- (5) In the event of termination, or upon JJVC’s request at any time, Partner agrees to cooperate fully with JJVC and cease using the ACUVUE[®] Authorized Partner Logo upon such event.
- (6) These Terms are subject to change from time to time, without notice, at JJVC’s sole discretion. JJVC will provide notice of any such changes by posting the updated Terms, including the date upon which the updated Terms take effect, on this page. The individual changes made to the Terms may not be specifically described. Partners are strongly encouraged to regularly visit Company’s website and review our Terms. Any use of the Logo after the posting of the updated Terms on our website are subject to the Terms then in effect.
